Nomination for Senator EloHim for vice president by Tech Comm. Husham

Nomination for ICC Comm. Shinesh for vice president by himself second by Leg Affairs Justin Turner

Senator EloHim Cofield for VP I will be the president of the senate also in charge making sure meetings are taking place attend meetings with presidents I have read the constitution last semester president pro tem hands across California helped with March in March helped with the constitution attended sac group meeting

ICC Comm. Shinesh Prasad for VP as senator Cofield stated the VP works very closely with the president run student senate board make the agenda and make them available for the board VP attend meeting with the president have read the old and new constitution and bylaws I have worked as a senator I can reach out to the students I have resources was chair for the bylaws committee representative for the constitution

Debate: Cofield: Justin Turner I think EloHim would be a great candidate the only reason I am leaning towards EloHim is because with the new transition coming up he will be vacating the ICC president seat the ICC needs leadership Shinesh has already made a commitment to make ICC and ASG cohesive and equal. La donya Reed: I worked with Cofield he has stepped up when needed he also made numerous visit to the capital as Cofield stated earlier "there is still

fighters that need to be fought on campus.”

Prasad: Opposition: Emma Snuggs I agree with leg affairs I think that they are both equally qualified and I think that we would be doing ICC a disservice if Shinesh were to leave.

Elections: 5 Cofield, Shinesh 0

Cofield is now the VP of the ASG
