

Extra Credit

How to earn EXTRA CREDIT in Chem 420/421

There are two types of extra credit in this course.

Type A – “As Many Points as You Can” on selected quizzes and every exam

Type L – “Limited” to 10 points Maximum for the semester

Type A Extra Credit

Extra credit will be available on selected quizzes and EVERY exam. You can earn “As Many Points as You Can”. There is NO limit.

Type L Extra Credit

This extra credit is earned for effort and is limited to 10 pts MAXIMUM.

Type L extra credit can be earned in a variety of ways:

- 1) Form a study group and record your activities as described in the syllabus (1/2 pt per 50 minutes)
- 2) Participate in LRC tutoring and record your efforts similar to the study group format (1/2 pt per 50 minutes)
- 3) Attend the “Study Skills” workshops (1 pt per session)
- 4) Attend a LRC Orientation Tour – 1 maximum for 3 pts
- 5) Attend a presentation by a Guest Speaker if available – 1 for 3 pts
